Product Specifications Sheet

Tychem 2000 Hooded Chemical Resistant Coverall

**Part No**

PF-878063

These coveralls offer safe, reliable and lightweight protection against many concentrated inorganic chemicals and biological hazards. Elasticated face, wrists, waist and ankles for an optimal fit, thumb loops prevent sleeves from riding up. Self-adhesive chin flap for tight seal of suit to face-masks. Made from a lightweight and durable fabric (<450g per garment), Tychem® C garments utilise the strength of Tyvek® and a polymeric barrier coating to offer good permeation barrier protection against a wide range of inorganic chemicals and biological hazards (even under pressure)

Overview

- Protection against numerous conventrated inorganic chemicals and biohazards
- Protective seams, stitched and over-taped with barrier-tape, providing barrier performance equal to that of the fabric
- Double self-adhesive zipper flap offers high level of protection
- Available to sell individually or in a carton
